

# Executive Council Election 2020 for East Midlands Regional Seats

## June Shepherd

Member 14408880

EM/LE25 (Sainsburys Leicestershire)

My name is June Shepherd and I am a senior workplace rep and Branch Secretary working for Sainsbury's in Loughborough.

For the past 9 years I have served the East Midlands Region as your representative on Unite's Executive Council. During this time I have worked hard to ensure that the Union works to serve you, our activists and its members.

Working with colleagues I was immensely proud to have ensured the introduction of the strike fund, supporting members during times of dispute

Coming from a working class background I know the struggles many working people go through.

Ensuring that the Union has key strategies, which are member lead, which secures jobs, improves pay and keeps workers safe is what I would fight for on your behalf. Making sure that issues effecting workers across the East Midlands Region, whether you work in Manufacturing, Public services, Transport etc. are represented nationally.
